

1. A Great Miracle

Abraham was rich.
He had many cows and sheep,
donkeys and camels.
He also had lots
of gold and silver.
The LORD had given him
all these animals
and things.

Abraham also had a child.
His name was Isaac.
Oh, Abraham
loved him very much.
He had also received
that child from the LORD.
That had been
a great miracle,
for Abraham and his wife
were already very old.
And old people
do not receive children.
They are much too old
to care for them.
But Abraham and his wife
had received Isaac
from the LORD
while they were old.

No wonder they loved
their only boy very much.
He was a great treasure to them.
